The University Community
Central University of Orissa
Koraput

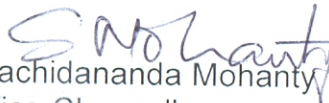

Dear All:

As you are aware, one of our long awaited dreams has been fulfilled! For the first time in the history of this university since its inception in 2009, we have had a successful visit of the NAAC Peer Team to our campus. The visit of the team has enabled all of us to have a collective reflection about ourselves as a University and about our strength and limitations.

What is most heartening is the exemplary and admirable manner in which all of us rose to the challenge and gave a wonderful account of ourselves during this period.

I congratulate the entire University community for the spirit of dedication, harmony and solidarity displayed. I am confident that together we will continue to march ahead and overcome many such challenges in future.

Congratulation and best wishes to all.

Prof. Sachidananda Mohanty
Vice-Chancellor
