FROM THE DESK OF THE VICE- CHANCELLOR

One more year has gone by since I took charge of this University. Collectively we have marched ahead despite obstacles. The infrastructure is vastly improved. The academic ordinances are in place. Computer Centres and Health Centres have been established. Counselors have been appointed to take care of the needs of our male and female students. For the first time in the history of the University, students have moved into their hostels on our permanent campus. Entrance examination in 17 centres has been held.

The Guest House is expected to be commissioned soon. New projects in terms of amenities like auditorium, cafeteria and shopping centers are in the offing.

The NAAC-SSR has been uploaded. The LOI has been successfully obtained and we look forward to the visit of the NAAC Peer Team. Similarly, advertisement for 65 faculty positions has gone out.

We are conscious of our responsibility towards the region. We have therefore, adopted five villages in the vicinity of our campus and adopted a model college in the district of Malkangiri.

Distinguished Lectures involving the Hindustan Aeronautics Limited and the Central University of Orissa community have been held. We have been fortunate to have the presence of some of the finest minds in the country. We hope to sign MoU with the Hindustan Aeronautics Limited and National Aluminum Company for common goals.

We have started the Poetry Club and the Drama Club for the benefits of the students. The Foundation Day Lecture in the presence of the Executive Directors of HAL and NALCO was a great success. Prof. Uday Narayan Singh, former Pro-Vice Chancellor, Visva Bharati and currently Professor at Rabindra Bhavana, Visva Bharati, delivered the special lecture on 'Discovering many lives of Rabindranath Tagore'.

All this has been possible, thanks to the all round support and cooperation of the University community.

We are happy to place the Annual Report before our stake holders. We pledge to take the University forward.

PREFACE

Ever since its inception in 2009, the Central University of Orissa (CUO) at Koraput is making all out efforts to create a niche of its own among the higher educational institutions (HEIs) of the country with a mission for creating a human resource capable of developing a knowledge society that fosters indigenous knowledge base with broader world vision. Being dedicated to the comprehensive and holistic growth of the region and the nation at large with its oft-quoted maxim 'for the region, for the nation', CUO has completed seven meaningful years of its existence.

CUO strives to disseminate and advance knowledge in humanities, languages, social sciences, and basic and applied sciences. From 2015-16, five new departments were started from the main campus at Sunabeda, increasing the academic departments to fourteen under seven schools of study. Conduct of Entrance Examination in 17 centres was another effort to maintain quality culture. Despite its location in a remote place, CUO has been successful in attracting students from across the country of which female students are almost half of the total.

Construction of a New Academic Block, Computer Centres, Health Centres, landscaping of the main campus, laying out internal road-network with streetlights, and furnishing of the Hostels in the main campus at Sunabeda were some of the steps towards providing basic infrastructure and amenities for quality teaching – learning process. Plantation of 30,000 trees of indigenous varieties in the main campus was an effort towards a green campus with a focus on checking soil erosion in an undulating hilly-terrain and increasing groundwater table. The land registration process of 430.7 acres of land in the name of CUO has been completed. Finalisation of statutes, ordinances and framing of rules relating to admission and examination were other success stories.

The CUO has sought to interact with Public Sector Units and industries namely HAL and NALCO through Industry-Academia Interface. The introduction of CUO-HAL distinguished Lecture series by inviting eminent personalities from academics, social life and others has enriched the academic firmament of the University. The adoption of villages adjacent to the University under the *Unnat Bharat Abhiyan*, is meant to bring transformational changes in their life and life-style of villagers. Submission of SSR to NAAC, Bangalore reflects our desire for ranking and accreditation and it will provide us with a valuable opportunity to know our strength and weaknesses.

The Central University of Orissa acknowledges the support and cooperation received from the Ministry of HRD, Govt of India, UGC and the different agencies of Govt. of Odisha. While working for achieving our mission for delivering quality education with equity and excellence, this 'Annual Report' provides an opportunity to place before the academic community of what we have been striving for during 2015-16.

Overall, the Annual Report presents a holistic view of the academic, student centric support system and administrative mechanisms of CUO during the period. The University is marching forward under the dynamic leadership of our visionary Vice-Chancellor Prof Sachidananda Mohanty. His overall supervision, guidance advice has helped the Annual Report Committee to prepare the Report.

We also thank the members of Faculty, HoDs and administrative heads for providing information and data compiled in this Annual Report. We express gratitude to the members of the Annual Report Committee who have worked tirelessly to give shape to this Annual Report in the present form.

EXECUTIVE SUMMARY

The Central University of Orissa (CUO) was established by an Act of Parliament in 2009. The University strives to disseminate and advance knowledge in humanities, languages, social sciences, and basic and applied sciences. It aims at promoting innovation in teaching-learning process, interdisciplinary research and gives special attention to the improvement of the socio-economic conditions of the people and their academic, intellectual and cultural development. The University is located at Sunabeda in Koraput District of Odisha. The main campus at Sunabeda has an area of 430.37 acres of land. The Government of Odisha has made available this land to the CUO, and now this land is already registered in the name of the University.

Vision of the University

- Collaborations/ Forging academic alliance/partnership with flagship research institutes, Universities in India and abroad and also with industries.
- Cross Border education as envisaged in the UNESCO document has taken on a new shape and new meaning in today's context;
- Induction of eminent Visiting Faculty by invitation;
- Setting up an Internal Quality Assurance Cell (IQAC).

Mission of the University

- To provide quality education for all, so that we may fortify the backbone of the nation.
- To disseminate 'inclusive education' to reach the unreached.
- To advocate a wholesome symbiosis of the indigenous and the global scene.
- To uphold a strongly grounded holistic worldview of the higher education.
- To create a niche of its own.

Accordingly the University has already formulated

- A Policy Framework for University-Industry Linkages;
- A Policy Framework for International Linkages with Universities abroad;
- Policy Framework for the inculcation of the 'culture of quality' at all levels of governance, teaching and learning.

The objectives of the Central University of Orissa

- To disseminate and advance knowledge by providing instructional and research facilities in such branches
 of learning as it may deem fit;
- To make special provisions for integrated courses in humanities, social sciences, science and technology in its educational programmes;
- To make appropriate measures for promoting innovations in the teaching-learning process and interdisciplinary studies and research;
- To educate and train man-power for the development of the country;
- To establish linkages with industries for the promotion of science and technology;
- To pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.

Addresses by His Excellency, Hon'ble President of India

The President of India, His Excellency Shri Pranab Mukherjee, who is the Visitor of the Central Universities, addressed the students, faculty and staff of all the higher educational and research institutions of India twice during the year.

His first address was on 10 August, 2015 on the topic "Energizing the Higher Educational Institutes in India" The second address was on 19 January, 2016 on the topic "Youth and Nation Building"

Both the addresses were conducted through videoconferencing organised by National Knowledge Network (NKN), Govt. of India. All the staff and students of the University attended the Conference at Video Conference Studio, Central University of Orissa.

Academic Profile

Presently, the university offers Three-Years and Two Years under graduate programmes, Five-Years Integrated Masters Programme, Two-Years Masters Programme and Research Programmes (M.Phil. and Ph.D.). The under graduate programmes include Bachelor in Computer Application (three years) and Two-Year undergraduate training programme in Bachelor of Education, whereas Five-Years Integrated Masters Programme is offered in Mathematics. Two-Years Masters Programmes are offered in Anthropology, Biodiversity & Conservation of Natural Resources, Business Administration, Economics, English, Hindi, Journalism & Mass Communication, Odia, Sanskrit, Sociology, and Statistics. Research Programme includes, M.Phil.. and Ph.D. Programmes in Anthropology, Biodiversity & Conservation of Natural Resources, Journalism & Mass Communication, Odia, and Sociology. The university has signed MoUs with various National/International Institutions for collaborations in the field of academics and research. The admission to all the programmes is done through National Level Entrance Examinations.

Classes for the Academic Year 2015-16 in ten P.G. Programmes, one Integrated P.G. Programme (5yrs.), one Bachelor Programme (3yrs.) and one B.Ed. Programme commenced from July - 2015. Total 435 students have taken admissions for the Academic Year 2015-16 in these programmes.

The Evaluation Process of the University is based on the Semester pattern with Choice-Based Credit System.

The Academic Calendar is strictly followed by the Departments and all the teaching learning activities are being carried out as per the scheduled programmes.

Infrastructural Progress

In line with the vision of this University, we have confronted myriad hurdles and challenges in developing our Main Campus at Sunabeda, Koraput. In our efforts to improve the level of infrastructure and other ancillary facilities to meet the requirements of structural development at the Campus, the University has been able to create the required infrastructure to make the Campus functional from the Academic Year 2014-15.

Human Resource

The University at present is equipped with well-experienced Faculty Members and Non-Teaching staff. We have a number of Guest Lecturers in some subjects. The University has also created a pool of Eminent Visiting Faculty for providing additional exposure to its students.

Central Library of the University

Central Library has grown exponentially over the last years. The library has a sizeable number of collections to cater the needs of the students, scholars and faculties of the University. The Library has collections of around 25000 books, 9000 e-journals accessible through e-Shodh Sindhu (a consortium for Higher Education Electronic Resources), reference books, serials, Theses & Dissertations, and back volumes of journals, etc. During the

financial year 2015-16, the Library has added 6211books to its present collection. The Library renewed subscriptions to 97 print journals for the calendar year 2016.

Transport Facility for students and staff

To meet the requirement of transport facility for the students and staff of the University, 9 buses have been provided on monthly basis from different destinations to the University Campus and back.

ACTIVITIES OF SCHOOLS, DEPARTMENTS & FACULTY OF THE UNIVERSITY

SCHOOL OF LANGUAGES

The School of Languages impart instruction in four languages i.e. English, Odia, Hindi and Sanskrit. Each of these languages has a significant body of literature, a galaxy of great writers, novelists, poets, storywriters, playwrights etc. These languages are the carriers of great culture and great philosophy. The students who opt to study languages in the school will, in fact, be studying much more than language. He / She will also be studying the literature, art and philosophy of that culture.

Training in these above four languages enables one, at the end of the training, to become a translator, an interpreter, a teacher, an expert or a consultant in multi-media projects.

Department of English Language and Literature

Under the School of Languages, the Department of English Language and Literature (DELL) started with M.A. (2 years) Programme from the Academic year 2009-10. The Department offers M.A. programmes in English and lays emphasis on non-British English literatures in African, American, Australian, Canadian, English, Indian, Irish, etc. Courses on literary theories help the students to develop the ability to relate the literatures to their context, to compare theories and texts, and to explore the ways history, ideology, and material forces condition literary and cultural Theories, Comparative Literature, and English in India.

Vision

- To invite the galaxy of eminent Professors in English from India and abroad throughout the academic sessions;
- To set up a Phonetics laboratory, Communication lab, Departmental Library etc.;
- To introduce the new programmes like M. Phil./Ph.D. in English literature/English Language Teaching/ Linguistics;
- To organize annual seminar/workshop/conferences;
- To focus more on the Comparative Literature and Translation Studies; and
- To collaborate with institutions in India and abroad for carrying out various research works individually or jointly with other Departments.

SCHOOL OF BASIC SCIENCES & INFORMATION SCIENCES

Department of Mathematics

Under the School of Basic Sciences and Information Sciences, the Department of Mathematics is started at Central University of Orissa with M.Sc. Integrated (5 years) Programme from the Academic year 2011-12.

Vision

The Department aims at the following:

- To invite the panel of eminent Professors in Mathematics throughout the academic session subsequently;
- To set up a Departmental Placement Cell, Computer lab, Parallel Computing lab, Departmental Library etc.;
- To Introduce new programmes like M.Sc./M.Phil../Ph.D. in Mathematics & Statistics;
- To organize annual seminars, workshops and conferences; and
- To start the inter-disciplinary studies of Mathematics/ Statistics in various fields such as Genomics, Biology, Ecology in terms of research work as the 21st century would be the era for Mathematical Science.

SCHOOL OF BIODIVERSITY AND CONSERVATION OF NATURAL RESOURCES

Department of Biodiversity & Conservation of Natural Resources

The School of Biodiversity and Conservation of Natural Resources has opened the gateway for millions of students from within and outside the state or country to study, understand and has provided ample scope of research for deciphering the Biodiversity and applying the output for the need of the society. Odisha with a diverse biodiversity has immense potential to go for varied research.

Vision

- To study the biodiversity of Koraput along with the adjacent districts of the state;
- Mapping the biodiversity of the area and suggest measures for conservation of endangered and endemic species;
- To monitor the carbon sequestration potentiality of the forests in and around Koraput;
- To extract bioactive substances like carotenoids from the existing flora and fauna of the area and link it
 with the livelihood up gradation programmes;
- To develop fish feed for the coastal communities to improve the socio-economic profile of the area;
- To take up species- specific plantation programmes for combating climate change problems.

Dr. Sharat Kumar Palita Associate Professor & Head,

The Department offers a Master Degree programme in Biodiversity and Conservation of Natural Resources (BCNR). The Advisory Committee on Curriculum Development has come out with an innovative and creative need-based course structure for the Master Programmes. Research Programme (M.Phil. and Ph.D.) was started in the Department from Academic Session 2014-15.

- Talk by Prof. Malabika Deo on 'Application of Quantitative Techniques in Business Research' on 14th Jan 2016 at the department.
- Special class by Dr. Satya Swaroop Debasish on 'Derivatives' on 3rd March, 2016.

SCHOOL OF APPLIED SCIENCES

Department of Statistics

The Department of Statistics is under the umbrella of the School of Applied Sciences at the Central University of Orissa founded in the year 2015-16. The Department aims at providing the theoretical and practical knowledge of those fields of statistics to the student which not only embed rudiments of it in them, but also equip them with the skill for their employability in different fields in industry, research organizations, and academics etc. The department has started M.Sc. programme in Applied Statistics and Informatics from the academic session 2015-16.

Vision

- Provide strong statistical/mathematical background to cope up with the needs of emerging technology at national and international levels.
- To train the students on latest analytical tools like SAS, R and Matlab etc. which are essential for grasping a MNC job both in the analytical as well as pharmaceutical sectors.
- To provide appropriate guidance and training to the students for qualifying the national examinations like ISI, ISS, and DRDO etc.
- Motivate the students in taking up inter-disciplinary courses those are needed for the nation.
- Applying for DST FIST, UGC-SAP Programmes.
- To produce quality research articles in leading national and international journals.

CENTRAL LIBRARY

Central Library is one of the central facilities providing information support for academic and research activities of the University. The Library was established in the year 2009 and presently working from two campuses (one at Landiguda Campus and another at main campus, Sunabeda) of the University. The library is being automated with the help of open source integrated library management software Koha. The Library is being managed by the Assistant Librarian who is also the In-Charge of the Library and assisted by one JPA and 6 supporting staffs. The Library is kept open from 9 a.m. to 6.00p.m. on all working days.

Library Collection

Although the library is only 7 years old, still it has a sizeable number of collections to cater the needs of the students and faculties of the University. The Library has collections of 24686 books, 9000+ e-journals accessible through e-Shodh Sindhu (a consortium for Higher Education Electronic Resources), reference books, serials, Theses & Dissertations, and back volumes of journals, etc. During the financial year 2015-16, the Library has added 6211books to its present collection. The Library renewed subscriptions to 97 print journals for the calendar year 2016.

Air-Conditioned Reading Hall

The Central Library is being made fully air-conditioned for long term preservation of the documents as well as for providing comfort reading for the users of the library. The reading hall can accommodate 130 students at a time, and it is being used extensively.

Readers Services

During 2015-16, 1,54,232 book transactions were made at circulation desks, i.e., issues, renewal and returns. Around 220 journal articles are being arranged from outside through inter library loan for the faculty and students. Library orientation programmes are conducted for newly joined students to familiarize them with the library services, resource and rules.

Membership Strength

At present University library is functioning from its two campuses and in both the campuses library has 860 members comprising students, faculty, research scholars and non teaching staff. Besides these in-house members, the library also caters the needs of scholars and visitors from other academic and research institution near to our University.

Working Hours

To provide maximum access to its resources, Central Library remains open on all working days of the University from 09:00 hrs to 18:00 hrs.

List of E-Resources Accessed through UGC-Infonet DL Consortium (IP based)

Central Library has access to the following e-resources and which can be accessed in both the campus of CUO.

FINANCE

Central University of Orissa, Koraput has been established by an Act of Parliament, under the Central Universities Act, 2009. Being a Central University, it is being funded by MHRD through UGC. The University has started functioning since 29th August, 2009 and receiving funds from the Central Government in the form of Plan Block Grant as General Development Assistance (GDA), provision for Community College Scheme and B.Voc. Programmes. The Fund is utilised broadly under three heads: Grant-in-Aid (Recurring expenses), Grant-in-Aid (Salary) and Grant-in-Aid (Creation of Capital Assets).

The General Development Assistance (GDA) covers construction/renovation of building (including renovation of heritage buildings), campus development, staff, books & journals, laboratory, equipment and infrastructure, annual maintenance contract, innovative research activities, University industry linkages, extension activities, cultural activities, development of ICT, health-care, student amenities including hostels, Non-NET Fellowships to students, travel grant, conferences / seminars / symposia / workshops, publication grant, appointment of visiting professor / visiting fellow and establishment of career & counselling cell, day care centres, basic facilities for women and faculty development programme, etc.

Besides Plan Grant, the University also receives funds from Central & State Government bodies like Odisha Bio-Diversity Board, Nalco Foundation, National Remote Sensing Centre, Hyderabad and Foreign Institutions (viz University of Santiago de Compostela, Spain) for undertaking various Research Projects.

The Accounts of the University are audited annually by the Principal Director of Audit (Central), Hyderabad through their branch office at Bhubaneswar, Odisha on behalf of the Comptroller and Auditor General of India. As provided under the Act, the Audited Annual Accounts for the year 2015-16 together with Separate Audit Report (SAR) and replies of the University thereto are to be placed on the tables of both the Houses of the Indian Parliament through Ministry of Human Recourses Development, Govt. of India, New Delhi.

The Annual Accounts of the University for the Financial Year, 2015-16 have been prepared as per the prescribed time schedule on 'accrual basis' in accordance with the revised formats issued by MHRD following the prescribed "Accounting Standards". The Annual Accounts 2015-16 have been approved by the Finance Committee held on 29th June, 2016.

The approved Annual Accounts 2015-16 have been audited by the Dy. Director of Audit (Central), Bhubaneswar Odisha, for certification. The Statutory Audit has issued a Draft Separate Audit Report (SAR) on the Annual Accounts on 09.09.2016. The University has issued the replies to the Draft SAR on 21st September, 2016.

On receipt of the Final Separate Audit Report (SAR), the Audited Annual Accounts together with the Final SAR and the replies of the University thereto will be placed before the Finance Committee and the Executive Council of the University for their Consideration and approval in their next meeting or by Circulation. On approval, the same will be sent to MHRD for placing them on the tables of both the Houses of the Parliament.

COMPUTER CENTRE

IT Service Management

At present two Proxy servers are being used to provide internet connectivity to users. One Firewall is proposed to make the network secure from unauthorized access/viruses & to create login id & password for every user to use internet. One Windows server is also proposed to provide every user a login id & password to use computer system of Lab & also to provide some space on the server to save their personal data.

Information Security

One Firewall is in process to procure. Thereafter computer system will be more secure from viruses & unauthorized access simultaneously network will also be more secure & robust.

Risk Management

At present we are not using any mission critical system so we do not require any advance risk management system for current setup. In case of any problem in a computer system/Server, backup & reinstallation is done using basic procedures. In future expansion we may have to do risk management.

Software Asset Managment

At present asset management is done manually. We are in process to procure Brihaspati 3 software, developed by IIT Kanpur. Brihaspati 3 comprises various modules for Account Management/Hostel Management/Inventory Management etc.

Open Source Resources

Various Open Resources software are being used in Computer Labs like Open Office, Ubuntu, Operating System, Fedora Operating Systems, Java, C etc.

Green Computing

Most of the computer system & printers are energy star rated. Being an educational institution everyone aware of the importance of Environment & involved in paperless computing. Being a new University, we have no electronic waste to dispose off.
