1st ROUND SPOT ADMISSION NOTICE FOR B.TECH. (DAIRY TECHNOLOGY)

The Central University of Odisha, in adherence to its policy of inclusive education and in accordance with the applicable provisions governing admissions to central universities, hereby notifies that a Spot Admission process shall be conducted on **2nd September, 2025** for filling up the vacant seats in B.Tech (Dairy Technology) programme offered by the University under both reserved and unreserved categories. It is hereby informed that all interested candidates, irrespective of whether they appeared in the CUET-UG 2025 examination conducted by the National Testing Agency (NTA), shall be eligible to participate in the said Spot Admission, subject to fulfillment of the minimum eligibility criteria as prescribed by the University for the respective programmes. Admission shall be granted strictly in accordance with the merit and availability of seats, and in compliance with the reservation policy of the Government of India.

1. All interested candidates are required to report from **9.30 AM to 10.30 AM** on the **2nd September, 2025**.
2. The application-cum-counselling fee shall be **₹1000/- (non-refundable)** for all categories and shall be payable **online through SBI Collect** at the time of reporting for Spot Admission.
3. Admission shall be granted strictly on the basis of the **percentage score** obtained in the **Spot Entrance Test** to be conducted on the same day.
4. Candidates are mandatorily required to carry all relevant original documents, along with one set of self-attested photocopies, and five recent passport size photographs, as prescribed in the **University Prospectus 2025–2026**.
5. Document verification shall be conducted from **10.30 AM to 11.30 AM** in the respective departments at the Central University of Odisha, NAD Sunabeda, Dist – Koraput.
6. Only those candidates who are found eligible upon successful verification of documents shall be permitted to appear in the Spot Entrance Test, which shall be conducted from **11.30 AM to 12.30 PM**. The test shall consist of **25 Multiple Choice Questions (MCQs)**, carrying a maximum of **50 marks**, and shall follow a **no negative marking** policy for incorrect or un-attempted answers. The entrance test syllabus shall be based on the 10+2 level subjects like Physics, Chemistry and Mathematics. **The results of the entrance test shall be announced by 2:30 PM**, and admissions shall commence immediately thereafter. Payment of the admission fee shall also be made online **through SBI Collect**.
7. It is hereby clarified that the University provides no assurance of admission to any candidate unless he or she is physically present for document verification and participates in the entrance test. All candidates are therefore required to report for admission at their own responsibility and interest. Furthermore, the number of vacant seats may be subject to change, including possible increases due to subsequent cancellations or reallocation of categories.
8. A candidate belonging to a reserved category (SC/ST/OBC-NCL/EWS) is eligible to appear in both the Unreserved (UR) merit list and their respective reserved category list. If the candidate is not admitted under a UR seat but secures admission under their reserved category in any round, they may still be upgraded to a UR seat in a subsequent round, provided their merit is high enough. Under all circumstances, the UR cut-off must always be equal to or higher than the cut-off for any reserved category, ensuring the integrity of the merit system. As a result, while preparing subsequent merit lists, the number of vacancies in the UR category may decrease due to the up-gradation of high-merit reserved category candidates, and the corresponding number of vacancies in the reserved categories may increase. If the list of eligible candidates in the OBC-NCL or EWS category is exhausted, any vacant seats in such categories shall be converted to Unreserved (UR)
